**REQUEST FOR CONSIDERATION OF PREVIOUSLY FILED
PETITION TO REVIVE APPLICATION AND
PETITION UNDER 37 CFR §1.47(a)**

Mail Stop: PETITION
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir or Madam:

The Applicant hereby petitions for consideration of the Petition for Revival and
Petition Under 37 CFR §1.47(a), which were filed on January 21, 2005.

EFS Filed March 12, 2008

REMARKS

The Applicant respectfully requests consideration and approval of the Petition to Revive and the Petition Under 1.47(a) in this matter, as filed on January 21, 2005. It appears from the records that the Patent Office has misplaced the filing made on that day, but did receive the payments for the petition fees that were filed contemporaneously with the petitions. The Applicant is hereby resubmitting the filing, and requesting consideration of such filing.

In support of this request, the Applicant submits the following:

(1) **Filing of Application** – The present application was filed with the Patent Office on December 27, 2001. The application was nationalized from International Application No. PCT/CN00/00293, filed September 28, 2000.

(2) **Missing Parts** – On May 1, 2003 a Notification of Missing Requirements was mailed in this matter. A copy of the Notification is attached hereto as Exhibit A.

(3) **Response to Notification** – On November 3, 2003, the Applicant submitted a response to the Notification, which is attached hereto as Exhibit B. The response included a Response to Notice to File Missing Parts of Application, the declaration of inventor Yimin Zhang, and a petition of Judy Steinkraus regarding diligent efforts to contact inventor Joe F. Zhou.

(4) **Decision on Petition** – On January 29, 2004, the Office of PCT Legal Administration issued a Decision on Petition, in which the Office determined that an acceptable showing that a diligent effort was made to locate the non-signing inventor Joe F. Zhou had not been made. A copy of the Decision on Petition is attached hereto as Exhibit C.

(5) **Notification of Abandonment** – A Notification of Abandonment was issued on October 18, 2004. A copy of the notification is attached hereto as Exhibit D.

(6) **Petition for Revival** – In response to the Decision on Petition and the Notice of Abandonment, a Petition for Revival was filed on January 21, 2005. Together with the Petition for Revival was filed a Petition under 37 CFR §1.47(a) requesting that the application be made on behalf of non-signing inventor Joe F. Zhou, a Response to Notification of Missing Requirements, and a Declaration of Judy L. Steinkraus that detailed additional diligent efforts to locate Joe F. Zhou. After diligent efforts, Applicant have been unable to locate inventor Joe F Zhou. A copy of the filing is attached hereto as Exhibit E. (Exhibit E includes unsigned copies of the filed documents. At the time of the filing the practice of the law firm representing Applicant was to retain unsigned copies of filed documents.)

Note: Because of the passage of time between the filing of the petitions in January 2005 and today, Applicant has been unable to locate certain of the attachments to the filing. However, it is submitted that these constitute cumulative evidence, and are not needed to establish diligent efforts to contact the missing inventor. The missing attachments are the messages described in paragraphs 18 (confirmation of e-mail receipt), 24 (message to ZhongXing Company), and 25 (letter sent to Yonghong Yan).

(7) **Fees for Petitions** – The Petition for Revival and Petition under 37 CFR §1.47(a) were accompanied by a fee of \$1500.00 for the Petition for Revival and an additional \$200 fee for petitions to the Commissioner. The records of the law firm of the Applicant indicate that the checks for such fees were paid. Attached hereto as Exhibit F is the record of the commercial checking account, the record showing payment of check

70022 for \$1500.00 on February 8, 2005 and payment of check 70023 for \$200.00 on February 9, 2005. Also included in Exhibit F are copies of the cancelled checks to the Director of the United States Patent & Trademark Office.

(8) **Proof of Receipt of Filing** – The Applicant hereby submits that the proof of payment of the fees provided in Exhibit F constitutes proof of receipt of the petitions by the Patent Office.

(9) **Lack of Response to Petitions** – The Applicant has become aware that the Patent Office has not acted on the filed petitions. Applicant's representative attempted to review the file for this case electronically, but was told that the file had not been scanned for electronic access, and that the Patent Office could not review the file in response to an inquiry regarding the petitions. Applicant arranged for a personal review of the file for this case at the Patent Office, and was informed that, despite the payment of the fees for the petitions, the filings provided in Exhibit E were not present in the Patent Office file.

(10) **Request for Consideration of Petitions** – The Applicant hereby respectfully requests consideration of the previously filed petitions, attached hereto as Exhibit E. Applicant again petitions for revival of the application, and that the present application be made on behalf of non-signing inventor Joe. F. Zhou.

Conclusion

Applicant respectfully requests revival of the application, and requests commencement of examination of the application.

Invitation for a Telephone Interview

The Examiner is requested to call the undersigned at (503) 439-8778 if there remains any issue with allowance of the case.

Request for an Extension of Time if Needed

Fees – Charge our Deposit Account

DECISION ON PETITION

This is a decision on applicants' "Response to Notice to File Missing Parts of Application" filed 12 November 2003, which is being treated as a Petition under 37 CFR 1.47(a) to accept the application without the signature of joint-inventor, Joe F. Zhou. The petition fee will be charged to Deposit Account no. 02-2666.

BACKGROUND

On 28 September 2000, applicants filed international application PCT/CN00/00293 which claimed no priority date. A copy of the international application was communicated to the United States Patent and Trademark Office from the International Bureau on 04 April 2002. Pursuant to 37 CFR 1.495, the deadline for payment of the basic national fee in the United States was to expire 30 months from the international filing date, 28 March 2003.

On 27 December 2001, applicants filed a transmittal letter for entry into the national stage in the United States, which accompanied by, inter alia: the requisite basic national fee as required by 35 U.S.C. 371(c)(1) and a copy of the international application.

On 01 May 2003, the United States Designated/Elected Office mailed a Notification of Missing Requirements under 35 U.S.C. 371 (Form PCT/DO/EO/905) indicating that an oath or declaration in compliance with 37 CFR 1.497(a) and (b) must be filed. The notification set a two-month time limit in which to respond.

On 12 November 2003, applicants filed the present petition under 37 CFR 1.47(a) and a four-month extension of time.

DISCUSSION

A petition under 37 CFR 1.47(a) must be accompanied by: (1) the fee under 37 CFR 1.17, (2) factual proof that the missing joint inventor refuses to execute the application or cannot be reached after diligent effort, (3) a statement of the last known address of the missing inventor, and (4) an oath or declaration by each 37 CFR 1.47(a) applicant on his or her own behalf and behalf of the nonsigning joint inventor. Items (1), (3), and (4) have been satisfied.

As to item (2), petitioner states that Joe F. Zhou cannot be found or reached after diligent effort. Section 409.03(d) of the Manual of Patent Examining Procedure (M.P.E.P.), **Proof of Unavailability or Refusal**, states, in part:

Where inability to find or reach a nonsigning inventor "after diligent effort" is the reason for filing under 37 CFR 1.47, a statement of facts should be submitted that fully describes the exact facts which are relied on to establish that a diligent effort was made.

The fact that a nonsigning inventor is on vacation or out of town and is therefore temporarily unavailable to sign the declaration is not an acceptable reason for filing under 37 CFR 1.47.

The statement of facts must be signed, where at all possible, by a person having firsthand knowledge of the facts recited therein. Statements based on hearsay will not normally be accepted. Copies of documentary evidence such as internet searches, certified mail return receipts, cover letters of instructions, telegrams, that support a finding that the nonsigning inventor could not be found or reached should be made part of the statement. The steps taken to locate the whereabouts of the nonsigning inventor should be included statement of facts. It is important that the statement contain facts as opposed to conclusions.

A review of the present petition reveals that petitioner has not provided an acceptable showing that a diligent effort was made to locate the nonsigning inventor, Joe F. Zhou. Petitioner has provided a copy of the cover letter addressed to Mr. Zhou mailed 29 September 2003 by Registered Mail. The Registered Mail label, provided by the petitioner, is stamped by the China Postal Service as "removed." However, all other attempts to locate the nonsigning have been conducted by Applicant's Database Group and cannot be considered as firsthand knowledge. As stated above, copies of documentary evidence such as internet searches, certified mail return receipt, cover letter of instructions, telegrams, etc., should be supplied by a person having firsthand knowledge of the facts. The single mailing of the papers to the nonsigning inventor's last known address does not constitute a "diligent effort" to locate the inventor.

For the reasons stated above, it would not be appropriate to accept the application without the signature of Joe F. Zhou under 37 CFR 1.47(a) at this time.

CONCLUSION

The petition under 37 CFR 1.47(a) is **DISMISSED** without prejudice.

✓ If reconsideration on the merits of this petition is desired, a proper response must be filed within **TWO (2) MONTH** from the mail date of this decision. Any reconsideration request should include a cover letter entitled "Renewed Petition Under 37 CFR 1.47(a)." No additional petition fee is required.

Any further correspondence with respect to this matter should be addressed to: Mail Stop PCT, Commissioner for Patents, Office of PCT Legal Administration, P.O. Box 1450, Alexandria, Virginia 22313-1450, with the contents of the letter marked to the attention of the Office of PCT Legal Administration.

Subject: Urgent! For Joe F. Zhou

Hello, can you please confirm that you are the inventor who worked at Intel in the past with Yimin Zhang on a patent application?

If so, may I please request your urgent signature on two documents I can e-mail you. I will send them once I know you are the right person I have been searching for. They are connected to the P9658 patent application you wrote with Yimin Zhang at Intel. I work for the law firm taking care of the application.

Thank you so much, I look forward to communicating with you.

Yours very truly,

Hello Judy Steinkraus,

I am afraid I don't think we have any contact information for a Joe F. Zhou. I would suggest that you look in our Person directory at:
<http://cf.linguistlist.org/cfdocs/new-website/LL-WorkingDirs/people/personal/index.html>

Otherwise, all I can suggest is that you post a notice on our noticeboard at:
<http://cf.linguistlist.org/cfdocs/new-website/LL-WorkingDirs/people/notice/index.html>

Good luck in contacting him!

Best Regards,
